FROM: Senior Staff Aide

SUBJECT: Correspondence Received Regarding the Proposed Football Stadium as of October 31, 2007

For the period of October 1 through October 31, 2007, the Mayor and Council Offices, City Manager's Office and other City departments and municipal addresses have received 480 additional emails, phone messages, and letters from residents or others regarding the proposal for a 49ers football stadium. The correspondence has been placed in Council Offices for review. The letters were in support, expressing concerns or opposition, provided suggestions or did not articulate a position. Some of the individuals forwarded copies of newspaper articles or reports. In some cases, multiple items of correspondence have been received from a single individual; for this reason, staff will continue to tabulate the total amount of correspondence received, but will not count the numbers of items in support, expressing concerns or opposition.

For public clarification, correspondence is provided to the Mayor and Council, and City Manager, shortly after receipt. Correspondence is being acknowledged by staff as time permits. Correspondence is placed into the public record through these periodic Agenda Reports.

Subject: I support the feasibility study

Mayor Mahan and honorable members of the Santa Clara City Council,
As a faithful fan of the San Francisco 49ers, I strongly support your efforts to study the feasibility of a new stadium in Santa Clara. In Santa Clara, it all adds up:
The stadium would be located in the heart of the city's entertainment district, close to many highways, public transit options and family entertainment destinations.
A new stadium would provide a significant boost to the local economy.
The proposed financing plan puts the burden of cost overruns and operations shortfalls on the 49ers, not the city of Santa Clara.
I urge you to move forward with the feasibility study and help keep the team in the Bay Area, where they belong.
Respectfully,
Josh Aranyos

Mayor Mahan and honorable members of the Santa Clara City Council,

As a faithful fan of the San Francisco 49ers, I strongly support your efforts to study the feasibility of a new stadium in Santa Clara. In Santa Clara, it all adds up:

- The stadium would be located in the heart of the city's entertainment district, close to many highways, public transit options and family entertainment destinations.
- A new stadium would provide a significant boost to the local economy.
- The proposed financing plan puts the burden of cost overruns and operations shortfalls on the 49ers, not the city of Santa Clara.

I urge you to move forward with the feasibility study and help keep the team in the Bay Area, where they belong.

Respectfully,
